

# Case Studies

- **Client** – Galion Homes – small house builder (300 homes pa)
- **Project type** – 3 x new build 5 bedroom luxury homes
- **Heat loss** – 62wm2
- **Size** – 320m2
- **Total heat load** - 10.6 kwh
- **Cost** - £6,300
- **Product used** - DRYTEC. 112w placed in ceilings
- **Control system** – Energy Carbon
- **Brief:**

The client was looking for a fast fit, low energy alternative to a ASHP's but was not going to use wet plaster on the ceilings. Our DRYTEC solution provided the perfect alternative with 1 electrician fitting the entire system to a house in a single day
